iGo(R) Expands Canadian Retail Distribution of Universal Chargers

SCOTTSDALE, Ariz.--(BUSINESS WIRE)--Jan. 21, 2009--iGo (Nasdaq: IGOI) is making it easier for consumers to keep their essential gadgets charged by making their products available at 275 Wal-Mart locations from coast to coast in Canada. iGo universal chargers are compatible with virtually all of the most popular gadgets (e.g. mobile phones, smartphones, PDAs, iPods, digital cameras, Bluetooth(R) headsets, etc.).

Wal-Mart Canada is now carrying the following iGo products:

- iGo everywhere charger - A combination AC/DC charger for use in any standard wall, auto or in-flight power outlet
- iGo auto charger - A DC charger for use in the car
- iGo wall charger - An AC charger for use at home or in the office
- USB charger - A USB charging cable for use with any standard USB port
- A variety of interchangeable power tips that can be utilized on any iGo charger

"We are very pleased to offer our universal chargers to Wal-Mart Canada customers," said Michael D. Heil, Chief Executive Officer of iGo, Inc. "Our universal solution to charging provides an economical and convenient way for consumers to keep their gadgets powered up without having to buy a separate charger for each of their mobile devices."

About iGo, Inc.

iGo, Inc., based in Scottsdale, Arizona, develops and markets universal chargers for portable computers and low-power devices such as mobile phones, Bluetooth(R) headsets, smartphones/PDAs, MP3 players, portable gaming devices, digital cameras and more. The Company's patented tip technology enables users to power and charge hundreds of brands and thousands of models of mobile devices with a single charger through the use of interchangeable power tips. iGo's brand offers a full line of chargers for AC-only, DC-only, or combination AC/DC, as well as battery-operated chargers. By using these revolutionary chargers and associated tips - which, in some products, enable users to power multiple devices simultaneously - mobile device users can save money and eliminate the extra weight and jumbled power cords associated with carrying multiple chargers.

iGo's products are available at www.iGo.com as well as through leading resellers and retailers. For additional information call 480-596-0061, or visit www.igo.com.
